The question was already raised by the Registrar and he was directed that the Branches should send the reports. It is not known, possible to take up this work without further strengthening the Branch. The file is pending orders of the Registrar regarding the suggestion to get the names of the members printed.

On further consideration I am inclined to agree in the suggestion of the Supdts of the P & C & Gen Branches

Despatching copies of the admn. reports from the Govt Press direct is as good an arrangement as any other that could be thought of - if the Press has got the necessary staff. I think also that in addition to the admn. reports, the Press may despatch copies of the proceedings of the R.A. and the L.C. If has already got a list of the addresses of the members in connection with the despatch of the Gazette copies.

39. This needs a very large increase of expenditure. Besides as the majority of the members do not know English, I do not think there is any great advantage in furnishing them with the administration report and the reviews. The original order requires to be reconsidered. I think the reviews may be translated into Kannada and all such kannada copies may be furnished to the members of the R.A. Legislative Council members may be given copies of the administration reports and the reviews thereon.
